

GYRO FLY-IN WEEKEND @ MURCHISON - 12-14 MARCH 2010

Photo of us at breakfast early Sunday Morning 2009

The Nelson Gyro Members are organising the ANNUAL fly-in at Murchison over the weekend of March 12-14 2010 (we would love to see any craft there - fixed wing, microlight, GA and gyro planes).

Dinner on Saturday night as usual – venue to be confirmed but either at KiwiPark or the Hampden Hotel. We will have our usual BBQ breakfast (\$5.00) on Sunday morning at the airstrip, starting 8.30am.

Murchison is 115km south of Nelson or accessible from Picton via the Wairau Valley. The fly-in is a regular event with arrivals expected during Friday, concentrating on planned flying activities during Saturday and Sunday.

The Murchison Air Strip is privately owned and offers mountain flying with many valleys to explore or simply fly the local plains. We have permission to camp on the airfield, have a bonfire or alternatively hotel/motel. Accommodation is only 10 mins walk from the airfield.

Hotel/motel accommodation information:

Kiwi Park Motels & Camp	03 523 9248 - email kiwipark@xtra.co.nz (will sponsor dinner on Saturday night if sufficient numbers staying)
Murchison Lodge	03 523 9196 (proprietor always comes down for a flight) www.murchisonlodge.co.nz
Hampden Hotel	03 523 9008

- We will have a safety meeting prior to flying daily
- We will have circuit etiquette on a board for all to understand
 - We will have an evening get together fun time

Tell everyone you can think of in case I haven't sent them an invitation.
Be Safe, have fun and C U there.
